## How It Works

Leadership stories is a highly thought-provoking game about leadership. The game aims to support participants test their Leadership skills in a highly engaging and safe environment and experiment with different approaches according to the given situations in a structured, gamified and systematic way.

Leadership Stories is an entertaining tool with the purpose of learning, where participants cultivate their knowledge and practice their leadership skills by overcoming several business challenges, called Leadership Stories.

## Learning Outcomes

Through experimentation with various realistic workplace challenges, participants will have the opportunity to gain awareness of each individual's leadership style and its impact on the team, identify the importance of utilising different approaches to inspire, engage and motivate their people, and develop the ability to choose the right approach to a given situation.

## Key Business Benefits

- ✓ Reinforce communication skills
- ✓ Promotes collaboration
- ✓ Expand active listening skills
- ✓ Advance persuasion & consultation abilities
